The Class Of 1971
Presents The
ORIOLE

Of

Horace Mann High School
North Fond du Lac, Wisconsin

We, the graduating class of nineteen hundred
and seventy-one, dedicate our yearbook to Paul
Vanderboom, Paul Guelig, and Terry Steiner for
giving the supreme sacrifice of their lives in
serving our country in Vietnam.

THOSE GALLANT YOUNG MEN

If men are to die
Fighting a meaningless war
Someone will cry
And remember them evermore.

When they were young
Yet just small boys
Trouble and hard times
Seemed their only toy!

Men of hard times,
Better times did they need.
Although gentle men
Whose warning you'd heed.

They were loved by many,
These young and brave lads.
And now that they're gone
Those people are sad.

They entered the service
For their people and land.
And now they take a stand
At the Lord's right hand.

They fought for us all,
Yes, they took a stand.
And now they are standing
At the Lord's right hand.

They now are gone
These gallant young lads
And now when they're gone
Many people are sad.

Give Yourself Wholly

Fly kites with your children,
cultivate your philosophies;
give women your tenderness
and men your energy.

And at every moment, valiant, sincere,
at every moment of all your days,
give yourself wholly!

Say: "I shape always
with equal care
my clay or my gold."
And at midday when the sun burns highest,
like a good workman--like a good workman!
And at evenfall
play with your children, feel yourself lightened;

and at night's coming
sleep wholly.

Give yourself wholly
until you fall motionless
in the final moment;
and when death comes,
give yourself wholly!

SENIORS

The History Of The Class Of 1971

We, the graduating class of 1971, would like to give you our thoughts and feelings of our four years at Horace Mann High.

The time was not 1967, the beginning. We walked the halls of the school for the first time as a part of it, very frightened but very determined to be a little bit more than typical freshmen. We were out to prove ourselves even though freshmen weren't supposed to do things like that. To help us along we had our faithful advisors: Mr. Parker, Mrs. Cunniff, Mr. [redacted], and Miss Rozewalski. To lead our class were our officers: Steve Edwards, President; Melonie Lobering, Vice-President; Judy Averbeck, Secretary; and Chris E. King, Treasurer. Student Council representatives were: **Chris Cheevers, Mike Gross, and Dean Vande Berg.**

Gazing into the crystal ball of the past we remember back at our first pep rally when we heard rattle cry for the first time. What should we do? Too late, we had our chance and we blew it. But we were looking forward to the next one, and when it came we really belted it out.

And let's not forget those dumb dances and parties we had when the girls sat in one circle and the guys sat in another and the music played on and on. The guys telling jokes very quietly but so loud you could hear them from the other side of the room. How "dumb", but fun.

And of course, every class has girls who have those fat-out pajama parties to remember. We can't forget some important things like the 'big book' and Out a board, and let's not leave out the searces, scary stories, and the pillow game. The guys too had their fun but let's just remind them of that and say no more.

When the year came to a close, we were proud of our class on the whole, being top in attendance, honor roll, least tardiness, and good stuff like that. To celebrate our achievements we had a hum-dinger of a picnic at Lakeside Park. Mr. Cohen must have been sorry he said 'yes' to that. Didn't everyone end up in the fountain? **Oh well, it was hot that day anyway.**

Summer came and everyone went their separate ways until fall rolled around again and we came back for more only this time as sophomores. This year our officers were: Dick Zuch, President; Beth Nierenman, Vice-President; Judy Averbeck, Secretary; and Kathy Jones, Treasurer; our Student Council representatives were: Chris Cheevers, Dennis [redacted], Beth Higgins, and Dean Vande Berg.

Our first project was a class float for homecoming. We made flowers until we saw them in our dreams. Michels' truck was an awful big one and we couldn't seem to make a football out of it as planned. So a couple hours before the parade someone suggested we put some ears and whiskers on it and make it a mouse. So we did! Our efforts didn't seem to make any difference because it didn't turn out quite like we wanted it to. But it was fun, huh?

Fall is the time for hayrides, and hayrides is the time for fun, and fun is the time for '71'. Pat Guehlig's hayride for the class proved that. Judy had quite a few, too. **We couldn't stop at just one!**

This year we lost some of our faithful classmates. But we couldn't let them go without showing them how much we liked parties, so we rented the Legion and really

had a big one. We were sorry to see them go and hoped they would return soon.

The one thing we were determined to do this year was again to be on top in everything within the school and we were. At the activity banquet Mr. Beer stood up and announced that the Parker Cup was awarded to the Class of 1971. HOCRAAY! We were proud!!

Summer came and went and our junior year started. This year our officers were: Brian Tautges, President; Richard Zoch, Vice-President; Kathy Jones, Treasurer; and Chris Enking, Secretary. Student Council representatives were: Chris Cheevers, Dean Vande Berg, Judy Averbeck, Ron Brien, and Beth Higgins.

Again our first event was homecoming. We made our class float at Averbeck's and decorated the hay wagon with Peanut characters. That turned out pretty good, but not good enough.

Christmas vacation was soon over and we all started thinking of ideas for our Junior Prom. We organized ourselves and picked our theme. It took a lot of time, planning, and work from the whole class. Remember the night before, when we raised the ceiling? Our hearts tell as they lifted it up and looked around... it wasn't a funny looking gym anymore, it was Venice and May 5th was remembered as 'An Evening in Venice.' The reigning couple were Queen, Judy Averbeck and King, John Krug. The members of the court were Chris Enking and Mike McArdle, Mel Doering and Richard Zoch, Kathy Jones and Paul Provo, and Chris Cheevers and Larry Jasman. We won't forget that night, for our hearts were in it. And with that, memories were made.

And when June 1970 came we all stopped to think that now we were Seniors and when we returned, it would be our last year. Some were glad of this thought, but some sad. Our officers were: Richard Zoch, President; Judy Averbeck, Vice-President; Kathy Jones, Secretary; and Debbie Saltzwadel, Treasurer. Student Council representatives were: Beth Higgins, Chris Cheevers, Ron Brien, Mel Doering, and Dean Vande Berg. Homecoming fell on October 9th and it was great! The Orioles beat the Cougars 20-0. The theme of our dance was "A Time For Us". The Queen picked by the school, was Beth Higgins and King, Tom Lamb. The Court was: Beth Ninneman and John Duley, Melonie Doering and Gary Yakaites, Kathy Jones and Mike McArdle, Chris Cheevers and Larry Jasman, and Judy Averbeck and Mike Gross. That is what it will be remembered as-"A Time For US"!

And now football is over, basketball and wrestling are too. How can we thank our guys for the great work they've done? We can only say we're proud, very proud of them all.

And now it's June and it's our turn to walk that road into the world. Our strings are dropped and now we are left alone. How could we have done it without our high school years? You don't realize until it's over how great it can be. Our memories, looking back on them, are pretty funny, but they're our memories. We'll always know that some of us couldn't have done it without our teachers and friends. We leave proudly and this time we're not afraid but we are determined to prove ourselves.

We give the underclassmen a thought to dream on. You'll never know how your high school years can make you grow up and face life with a more positive attitude until it's time to leave. Make the best of it all, and don't waste it by not being a part of it. We wish you all the luck and leave Horace Mann High School in your hands.

The North Fondy Power Lifters Club originated as an incentive program with the main function of stimulating athletes to participate in weight training. The clubs foremost objective is to aid athletes in their preparation for interscholastic competition, however, the program is open to all high school students.

Each year a team is selected and given the opportunity to compete in the Optimist Power Lifting Regional Tournament. This years team advanced four lifters to the state meet held in Manitowoc, three of which earned individual state titles, and compiled enough team points to bring North Fond du Lac High School its first Wisconsin State Power Lifting Championship.
